RESUME WRITING TIPS

Some studies have shown that on an average employer spend maximum 9 seconds reviewing your CV. It's your chance to show an employer you've got skills and experience required and that you're the right person for the job. Whether you're writing your first CV, tweaking your existing one, you may have questions what to include, how to word or layout your CV.

But don't despair...follow our advice and get your CV into shape in no time. And you don't need to start with a blank page - we've put together a CV template as a handy reminder of everything you need to include. Visit our Let's Talk – Job Seeker page and download the REXMAN CV TEMPLATE.
